

TRUE COLORS QUICKTEST

INSTRUCTIONS:

Compare all 4 boxes in each row. Don't overthink each word; just get a sense of each box.

Put a number from 1-4 in the solid square at the bottom of each box that describes you the best:

- 4 = The most like me
- 3 = A lot like me
- 2 = Somewhat like me
- 1 = The least like me

Add up each column (top to bottom) and put the total in the colored box at the bottom.

If any of the 4 totals are less than 5 or more than 20, you made a mistake - double-check that each square only has 1-4 in it.

A	B	C	D
Active	Learning	Warm	Organized
